Introduction

Barefoot Domination is a new foot fetish porn site for anyone who has ever fantasized about a powerful and seductive woman taking complete control of their libido with the subtle flick of a few toes and the dominant stamping of her feet. Will she be kind? If she isn't would you even mind? Just lay back, relax and leave all your emotions in her hands - or better yet, under her feet!

Review Rating

The Tongue says *'In Time This May Grow Into Being The Best Foot Dom Site Online'*
