### Introduction

The Blow Patrol is a fictional pair of guys in porn Valley who approach ladies and tell them they are in trouble unless they find a way to cooperate. It's done in the reality format but obviously these are actors and actresses playing out the fantasy of power-exchange when blowjobs aren't just for getting you off... they are also for getting these ladies off the rap sheet!

### Adult Review

Blow Patrol is one of those reality porn concepts that you have to see to believe - these guys run around as cops, pretend to arrest the biggest cocksucking whores around, and then get their rocks off in the back seat to let the women out of their tickets. These girls off the street certainly know their way around a dick.

Blow Patrol is set up on a network hub - it might be a bit confusing to get to the actual site videos, so you'll want to look for the Featured Series link. There are 19 episodes in total, with new amateurs that are ready and willing to get in the back seat and suck their way out of trouble.

Each episode has both a photo set and a video showing all of the cock sucking action. The videos are around 15 minutes long, starting off with picking up the gullible amateurs, and then ending with making them cum dumpsters. The video formats cover most of what you would be looking for - Xvid at 576x432 for the best quality, WMV for quicker downloads, and MP4 for the perfect portable option. Of course, if you're really impatient you can go ahead and enjoy the streaming flash. No matter what option you choose, the action will make your dick happy with you. These amateurs are fresh faced and new to the scene, although they do have rather impressive cocksucking skills.

Along with Blow Patrol, you get access to an incredibly large network. This is easily accessed by the navigation options on the main page, and you can browse by the latest updates, categories, pornstar names, and a few other choices that will get you going into this massive collection. There is almost 4,000 DVDs worth of video content, and the photos to go along with them, and 120+ bonus sites. Although Blow Patrol doesn't update, it does have the advantage of offering a rather irresistible extra, which is worth your time and money.

### Porn Summary

Blow Patrol has an interesting reality porn theme with real amateurs sucking their way out of tickets. It also offers a comprehensive bonus network and sites which will keep you covered in blowjobs and hardcore porn for ages.
