Introduction

Soft curvy asses and round plump butts can make any straight man's cock stand at full erect attention. Even if you can't convince your slut to let you fuck her up her tight heart-shaped butt, you can at least stick it between her cheeks and admire how good your foot long hot dog looks between her warm buns. And if you do that long enough, you'll have to admit that you have a Butt Fetish that just won't quit!

Adult Review

It really doesn't matter if you're a man who loves big tits, because a luscious curvy butt is also hot enough to give you a hot and horny porn fix. If you think you need to be reminded just how great soft round asses look and feel while getting stuffed with dick, you can always pay a visit to Butt Fetish, where the female backside is celebrated and the main point of porn attraction in every hot sexy scene.

There are currently 149 butt loving videos at Butt Fetish. Brand new content is being uploaded about once every two weeks, so the amount of fresh hot ass that you can see is growing fast. Most of the videos run about 20 to 30 minutes. Unfortunately, experienced porn surfers will recognize a lot of these vids from elsewhere on the Net. None of the content is exclusive to this website, but being able to see almost 150 scenes that cater to this fetish makes this a solid collection worth going through.

Butt Fetish took these scenes and re-encoded them in a bunch of different formats to make your porn viewing as convenient as possible. If you need to see these butts while walking around, then take advantage of the MP4 portable format. If you're just going to view from your PC, there are several different flavors of WMV, and even an MPG option. The highest resolution is a 720 x 540 WMV which is big enough to show off any sexy dimples that these whores may have on their sexy asses.

There are also hundreds of vidcaps for each Butt Fetish episode, in case you want to preview the butt loving action before watching the video. This is a good idea, because this is a butt fetish site, not an anal sex fetish site, though the two definitely go hand in hand. So if you're looking to download scenes that only showcase hard anal, then make sure you go through the screen caps to find them. Certain sets also contain high res photo galleries where the sluts bend over and show off their booties before they get plowed.

If you're a fan of POV action, you need to check out the 8/04 update that features the sexy Spanish pornstar Rebecca Linares. Her ass looks amazing as she gets bent over and taken from behind, and also as she rides a thick dick reverse cowgirl style!

Butt Fetish is priced at \$29.97 for a monthly membership. That membership will also give you access to all of the additional pornsites that make up the Jerked Network, all of which are listed to the right side of this review. That's hundreds of exclusive XXX scenes for a one cheap discounted sign-up. So take advantage of this offer before it goes away!

Porn Summary
