Adult Review

If you've already owned a bunch of porn DVDs, fucked plenty of women and joined a few adult websites... then you're probably looking for something totally new and different by now. A new kind of kink that will make you tingle inside like the first time you found a porno mag! Crygasm definitely has that kind of excitement going for it!

Crygasm calls itself the place 'Where Pornstars Cum to Cry' and they mean it! The site has dozens of lovely ladies who break through the emotional barrier between pleasure and pain as they reach the height of an orgasm before pushing further and openly crying while showing you an honest side of themselves that you won't see anywhere else. Watching a woman Crygasm is a spiritual experience as well as a very hot sexual one!

Crygasm features a wide variety of women. Some are new pornstars, some are amateur teens and others are MILFs. Each has their own special allure and unlike blowjobs or fucking... every woman cries in a totally different way. So seeing one model crying doesn't really prepare you for what you'll see in the next Crygasm video.

Jordan Kingsley, a blonde MILF with a nice set of tits is the best scene on the Crygasm site so far. She shows up wanting to film a special video love letter for her boyfriend who is a US Marine serving in Iraq. The lust in her eyes and love in her heart are obvious - but the way she weeps at the end of the video while forcing herself to Crygasm on camera is what will make the tiny hairs on the back of your neck stand up! WOW you just have to see it. It's truly fucking bone-tingling!

With one of a kind crying orgasm videos starring Rachel Rxxxx, Daphne Rosen, Glauren Star, Crista Moore, Veronica Jett, Natasha Nice, Tyla Wynn, Kenie Marie, Kylee Reese, Cameron Love, Allison Pierce and many other brand name beauties together with some fresh faces new to your fantasy spankbank library... the quality of the criers is almost as dazzling as the quality of the videos they star in on Crygasm.com

Each scene is filmed in 1920x1080 HD video and can be watched on any HD television full screen with perfect clarity. The movies are also available in smaller versions for faster downloads and Crygasm even lets you get these exclusive crying porn videos in Iphone format as well! If you prefer not to save porn on your hard drive, that's fine... the site has high quality widescreen Flash streaming versions available for you.

Along with every scene you get 100s of super-high-def pictures as big as 2200x2200 that look great as print-outs or in offline slideshows. The pics really capture every moment of each girl's emotions and in some ways they reveal an even deeper dimension than the videos ever could. If you enjoy high quality pictorials that give you insight into what was going through each girl's mind as she gave herself over to you... these are some exclusive porn pics you'll definitely want to download.

Each Crygasm is an exclusive video never seen anywhere else, and the Crygasm crew has arranged for you to also get sneak peaks at some of the best porn sites on the web as well without paying anything extra! More than 50 Showcase videos are provided (1 for each porn site) and give you access to a full scene of exclusive content so you can get a feel for what else is out there.
