### Introduction

MILFs Like It Big is the newest offering from the Brazzer network and it features big chested MILFs who are on the hunt for huge cock! These are all D-cup cougars prowling around their neighborhood searching for any man with a dick big enough to knock an orgasm out of them. Superstars like Ava Devine and Nina Hartley get mixed in with newer performers as well. The results are eye-popping suck and fuck scenes that leave every MILF both sore and satisfied!

### Adult Review

Most professional whores get their start in porn before they reach age twenty. The majority of them are out of the skin business after only a few months... but what happens to the really good ones as they age a little and get into their upper twenties or early thirties? They become MILFs, and they develop a craving for bigger and bigger cocks!

Here comes MILFs Like It Big to satisfy their desire for huge dong jammed in their fuck-pipes and your urge to watch sexy seasoned veteran fuck-sluts struggling to allow oversized dick deep into their pussies, mouths and dumpers! No hole is left empty as one scene after another features the kind of pounding action that younger newer whores simply can not handle!

With big name stars like Ava Devine and Kelly Wells getting the life fucked out of their most intimate private parts, you can watch as huge stuntcocks are allowed to use up all the juicy enjoyment left in these ladies as they prepare to retire their pussies and get sent out to the porn pasture.

The movies are all available in 640x480 resolution that lets your dick get a great look at the action and you can download movies as one click downloads for broadband or dialup friendly smaller scene segments to speed up the load times and improve your balls' unloading time!

Along with access to MILFs Like It Big, your monthly membership also gets you full access to all the Included Sites on the right side of this review! That's dozens of porn sites each worth the full price of admission on their own, networked together and providing you with 100s of hours of popshot-worthy entertainment all for one low price! They do offer a limited trial but honestly, if you like what you see on the tour you'll be glad you went with the monthly instead because the trial doesn't include full access.

### Porn Summary

MILFs Like It Big is not a huge site yet but it grows with new updates every week and includes access to dozens of other networked sites. More importantly, every update is right on target with older Cougars cramming younger cocks balls-deep into their holes. This is a great place to go if you want to see the final scenes in the careers of some of the world's most beloved pornstars!
