Introduction

Men in Pain is the kinky answer to all of the male on female bondage sites that are available on the internet these days. The site features pretty girls taking advantage of their chance to get even with bound male costars for all the things that the male population has ever made them endure. Each scene features plenty of bondage and role play for all of their submissive male members.

Adult Review

Featuring over 300 movies starring delectable dominatrix doing what they do best, Men In Pain gets you on your hands and knees so you can start crawling if you want to last in her lair even a little while.

These aren't lame actresses pretending to punish their male sex slaves, these are lifestyle divas doing their best to hold back just enough to stay within the rules of what they are allowed to show on the Men In Pain website!

With movies in formats as clear as 640x480 you are sure to see every detail of what takes place and that means when he screams you can feel the shame and struggle she is inflicting as if you were the one being owned by her every word and action.

The site archives host a variety of scenes that come from all different parts of the fragile male psyche. Nurses acting against your doctor's orders, hired whores who turn the table on their clients... all the way on up to full time owners and their indentured male servants!

Joining the Men In Pain site will run you \$24.95 for a month but the scenes are not DRM coded so anything you download is yours to keep long after your membership might end. That means you can have a hard drive full of hardcore action starring the sexiest female slave wranglers on the online role play market!

Porn Summary

Men In Pain is a website that will push you to your limits and help you across the void that separates your desire for pleasure from your need for punishment. Become whole under the firm hand of these female goddesses and feminine trainers.
