### Introduction

When you're young, having a sister can be a real pain in the ass... but when you get to be in your late teens, a sister is nothing more than a recruiter for hot teen friends who visit her room. Isn't it convenient that her room is so close to yours when your sister leaves for a while and her hot friend wanders over to ask what you've been up to?!

### Review Rating

The Tongue says '*Your sister isn't home but why not have her friends come over anyway?*'
