### Introduction

Two best friends, sometimes three and a camera rolling can be all the scripting you need for a great scene. Watch as these best-friends-4ever get to know each other even better than they thought they did.

### Adult Review

This site is based around the idea of posting a simple help wanted ad in a local newspaper for a pair of best friends for a cable "dating show" to attract talent for the site.

Some of the scenes include known adult starlets but others do appear to be the direct result of amateur models showing up as a result of the ads.

This site contains 100% exclusive content shot by the same great production house that puts out Ass Like That and several other sites which are listed on the right side of this review and are included in your single membership price.

The result is a membership to a whole ring of sites each filled with exclusive content and each produced as top quality smut. If you want to see 2best-friends spending some quality time together this is an excellent site to join, but with all of the bonus sites included in your membership this site becomes an absolute steal!

### Porn Summary

Naughty Best Friends is a site that actually delivers on the promise its name makes. These are believable reality based scenes that will have your cynical mind satisfied and your cock overjoyed.
