Introduction

She may be a bit older than the teens you are usually in bed with but she still looks damn good and she definitely knows what she is doing. You have not become a real man until you have been seduced by a cougar!

Adult Review

Are you sort of into MILF content but not quite enough to shell out your cash to get with one of those middle-aged mommas? Perhaps one of these sexy cougars might be able to seduce you?!

 31 updates exist in the SeducedByACougar archives. The site updates weekly and includes both video and still frame content. Best of all, every one of these thirty year old whores are ready to do whatever it takes to lure you away from younger cum targets.

 Older updates include high-res 800x536 photo sets but the newest ones are beautiful 1000x671 images suitable for printing or making slideshows with. They can also be downloaded as lightning fast .zip files. Videos are offered in .wmv, .mpg or .mov (which should thrill Apple users). All movies can be downloaded as complete scenes with a single click or as a few segments for faster download times. The newest clips are offered in High-Def 720x480 versions as well but some of the older updates are provided at a max of 320x240 instead.

 None of the clips are DRM coded so every thirty-something slut you want to watch again later will be there for you unless you delete her.

 Videos can be streamed if you prefer not to have them on your hard drive but the feeds are a bit picky. They don't work with some browsers, firewalls and download system settings so if you want to use them you may have to tinker a bit to get them to work.

 While they do offer a limited 3 Day Trial for \$1.95 and a 7 Day Trial for \$4.95, the only membership worth getting is the monthly one for \$24.95 because they use ♦tiered access♦ and only the full membership gets you full access to all that this site has to offer. If you want to see plenty of older pussies getting pounded on by thick cock, plan on buying the full month or being frustrated by the stuff you can♦ see.

Porn Summary

When these women reach thirty years of age their twats are finally ready of the prime of their lives. Soaking wet and begging to be nailed by all the guys they turned down during their twenties. Won't you stop by and throw a few of them a quick mercy fuck?
