Introduction

Smoking Mina is the solo site of a mature brunette who loves to have sex and loves to smoke cigarettes. Lucky for you she doesn't do one before the other... this smoking hot slut does both at the same fucking time! In every video and picture set she has a cock in one hand and a smoke in the other, or fingers in her snatch and a lit cigarette in her mouth. You'll love when she plays ring-toss by sucking cock and throwing smoke-rings around her costar's rod!
