Introduction

Why would a sweet young girl from an upper-class neighborhood with good parents and an education decide to spend her time whoring herself out on the internet with every rock hard inner-city thug who wanted a chance to ride her? Black Addiction!

Adult Review

If you like the idea of a lily white girl from the suburbs getting her holes pounded out by a hard young black man with some street cred, then Black Addiction is a site you'll want to bookmark.

There are plenty of sites out there that focus on ebony sex and plenty that mix in some inter-racial action for your enjoyment... but Black Addiction does a fine job of bringing you the hottest black man on white woman action you'll ever see.

Please be aware that when you sign up that on the join page there are 'pre-checked' boxes which add other sites to your order. If you want to include these other sites you may leave them checked, but be aware that they renew automatically and can cost a significant amount of money per month unless you uncheck the boxes when you join.

These are little women with an innocent look in their eye and dynamic black studs with a crazy bulge in the crotch of their sweatpants. When they finally get to meet each other... it's on! These chicks scream loud enough to get their grandparents upset while the boyz in these scenes just pump them out with a phat grin on their faces.

Along with all the included sites listed on the right side of this review, Black Addiction does its part to make a Meatmembers subscription something to take pride in.

All scenes are offered in a variety of formats and none of them are DRM encrypted, that means anything you download today will still be on your drives even if the guys at Meatmembers move on to something else. These sites are a collector's dream.

Porn Summary

She belongs to a tennis club, he hangs on the corner outside his hood's bodega. Every scene is a clash of their worlds and a friction filled Utopian grind of their contrasting flesh.

Review Rating

The Tongue says *'Interracial smut that uses race as a starting point, not a cheap gimmick'*
