### Introduction

These Chix In The Mix get their kicks lapping up each other's juices after finger-popping the moistened boxes of their best friends at some of the sexiest slumber parties we have ever filmed. It's so cute the watch them cuddle after they climax as they relax into blissful rapture.

### Adult Review

This is the all girl offering from the Meatmembers Production Studios. That means these aren't the ordinary run of the mill lick it once or twice lesbians... these are hell kittens all amped up and ready to tear the lid of each other's boxes of kibbles and bits.

In one fiery scene after another, some of the most intense starlets from the amateur and professional ranks bring their "A" game to the set and bump doughnuts as they grind out one download worthy video after another.

Many of the all girl sites out there get a bit stale after a while because they are offering such a narrow field of content. Meatmembers overcomes this by including ChixNTheMix as just one of the great sites you get with your Meatpass membership. All of the sites listed on the right side of this review are also included... and that is a deal worth purring about!

Please be aware that when you sign up that on the join page there are 'pre-checked' boxes which add other sites to your order. If you want to include these other sites you may leave them checked, but be aware that they renew automatically and can cost a significant amount of money per month unless you uncheck the boxes when you join.

All scenes are offered in a variety of formats and none of them are DRM encrypted, that means anything you download today will still be on your drives even if the guys at Meatmembers move on to something else. These sites are a collector's dream.

### Porn Summary

Meow! When these ally cats retract their claws and start the action with tongue-first bravado it's time to sit back and enjoy their efforts.
