### Introduction

Cum Fiesta is one of the oldest and most respected digital smut sites around these days. With updates dating back to June of 2001 you can be sure they know what they are doing. It's been a long sticky road over the last seven years but it has also been quite a cum filled party for these pretty pussies!

### Adult Review

These days a lot of smut sites have taken on a dark and serious anti-female overtone. Somewhere along the line it became cool for content providers to degrade women and try to humiliate them even on sites not typically slanted toward fetish play. Cum Fiesta has been around since long before that trend started and has remained true to its roots. This is a fun site with an upbeat attitude that views women as the sexy and complex participants that you love to play with... not make fun of.

Cum Fiesta offers up over sixty exclusive videos with their members area and each one is focused on the party that takes place every time your body reaches climax. The site is a celebration of orgasms and the amateur women they film are sure to help you get to the party on time every time.

There is no DRM coding on the files so you can keep anything you download in your permanent collection. Each and every episode has large format broadband enhanced files and shorter well segmented dialup friendly versions as well.

Along with the videos come lots of screen-cap pics and short text descriptions of each scene to help you choose the one that's right for your cock. In truth, this is a less complicated site than many of the newer ones but its simplicity and jovial attitude give it a unique feel. If you just want some entertainment for yourself and are not interested in a lot of extra bells and whistles then this site may well be the best one for you.

Normally a monthly membership to Cum Fiesta would cost you \$24.95 but because of a special deal arranged by The Tongue for all of our TasteBuds... if you signup through this Free Preview of Big Naturals, you'll get access to a special monthly discount price of only \$17.95!

Also, keep in mind, Cum Fiesta comes along with full access to all the sites listed on the right side of this review. If you buy one membership you own them all! That's a heck of a lot of content for a very low price and a membership package well worth considering for your smut portfolio.

### Porn Summary

Putting the fun back in cum, Cum Fiesta is a great place to relax and hang loose with some very sexy girls who don't need to be degraded to show you that they know what your cock wants!
