### Introduction

When a porn scene features hot Latinas you know you're going to be in for one wild ride. These sluts give every porn scene their horny best, since most are in this country illegally and live in fear of not getting paid. You'll watch in awe as these Filthy Latin Whores suck on mucho grande cocks until spicy hot cum is drained straight from a hung stud's hard enchilada!

### Adult Review

Most guys like having a sexy little firecracker to roll around with in bed. A boring whore who just lays there is only fun for a little while, so someone who can make sex fun is what most studs crave. That's why guys love chicks from south of the border -- Filthy Latin Whores have tight wet cunts and succulent perky tits and they aren't afraid to use them!

Right after you log in to the members area of Filthy Latin Whores you'll understand that you've just signed up for a DVD mega archive. The tour promised 100% exclusive content which is clearly not the case. But before you run and scream for a refund, settle down and take a look around. There are over 78 Latina themed DVDs that have been ripped into over 350 downloadable scenes! You'll definitely find a lust-filled Latina whose pussy needs to be pounded like a pinata over here!

All of the scenes are downloadable in high quality 640 x 480 MPG format. Most are also downloadable in lower resolution WMV, and portable files like PSP. Flash based streams are also available for select scenes. Nothing is protected with DRM, so feel free to archive the entire site if you'd like. Each scene has also been separated into multiple start and stop points, which means you can download only the exact portion of the scene that most interests you. So if pop shots are your thing, download only the last minute of every scene and pretty soon you'll have a cum-drenched Latina collection that your buddies will be jealous of!

You're offered a lot of different choices when you go to sign up to Filthy Latin Whores. The choice for surfers who know what they're doing is only the platinum level membership, since with that also cums access to every single XXX site that's listed next to this review. That's an additional 1100 full length porn DVDs that are available for your horny use!

Finding the exact scene you're looking for is a bit of a challenge. Even though Filthy Latin Whores has implemented an extensive search function, it tends to work across its entire network. So containing your search to only the Latina themed DVDs is a bit of a challenge, but overall the search feature does work. Having to look through lots of porn really isn't that bad anyway, now is it?

### Porn Summary

If you're blindfolded and someone asks how you can tell if you're fucking a white, black, or Latina girl, how can you tell? Well, if your dick is inside a Filthy Latin Whore it will sizzle and pop because Latina pussies are always spicy and hot!
