Introduction

The largest, most high-end foot-centric site you will ever find. Featuring over 500 models in over 700 exclusive movies with video in true 1280x1024 HD formats and pictures in magazine quality 2000x1300 still frame images. Hot Legs And Feet is a site produced by people who love legs and feet as much as you do... well, almost as much as you do!

Adult Review

Hot Legs And Feet features some of the prettiest porn models in the world because it is filmed by world class nude fashion photographer Denys Defrancesco. The girls know that working with a top quality talent behind the camera will help them look their best so they line-up to get picked to perform on this site and only the prettiest models are chosen.

Because Hot Legs And Feet offers it's 700+ videos in many formats, there is a way for any user to be able to enjoy these foot fetish films. Dialup friendly segmented clips are available and so are stunning full screen 1280x1024 high definition enhanced versions for broadband users. It's a good thing the models are all top quality beauties because at 1280x1024 every blemish shows and there would be no way to cover-up lower quality subjects.

Each scene features all the toes and ankles you would expect buy Hot Legs And Feet is one of the few sites that understands foot fetish action should be part of the scene... not the only thing that ever happens. The site has a lot of quality sucking and fucking, fish-hooking and fingering... the feet are treated as a sexy bonus, just the way they should be!

Take the tour and click around a bit, the members area does an excellent job of living up to the promise of the tour itself. If you like what you see on the tour of Hot Legs And Feet you can be sure your cock is going to love what it gets as soon as you sign-up for a month!
