Introduction

The farmgirl, the teen model, maryanne from Gilligan's Island.... what is it about pigtails? Whatever it is, there is no doubt the pigtail look gets a huge upgrade when it is accompanied by a firm round ass. Like putting chocolate and peanut butter together... only better.

Adult Review

The newest offering from the guys at All Exclusive Pass, Pigtails Round Asses is a site devoted to anyone who thinks a petite princess with a pair of pigtails and a firm round bottom deserves some attention.

In one exclusive scene after another a hot young starlet parades out in front of the camera with her hair neatly pulled to the sides and her buxom bottom on full display.

Along with the well produced videos and a stunning collection of pics, the site offers a ton of bonus content. Extra video feeds, bonus non-exclusive scenes, even some live chat and dating feeds are thrown in for free.

On its own this site might not get as high a review score because it is so focused on one narrow niche of lust. However, when you consider this is just one of the sites included in your All Exclusive Pass membership for a single fee, this site clearly becomes some huge bang for your smut buck.

Take a look at the right side of this review and look over all the other sites included in your membership... then try not to hurt your bulge as you tug your wallet out of your pocket to sign up!

Porn Summary

As a stand-alone site this may be too narrow a niche, but as one of several sites included in the All Exclusive Pass network it becomes yet another shining jewel.
