Introduction

There are lots of solo girl sites on the web these days and many of them start to blend together in your mind because the girls are so similar. One blonde looks like another and they all offer the same kinds of content. Well, here comes Princess Lissa - a 5'3" 245 pound chubber that will have you smiling from the moment you meet her. Warm, charming and so damn sexy... this big girl brings it in every scene!
