### Introduction

Anyone who has ever walked out of a movie theater after seeing a superhero film has fantasized about being a hero or a master villain. Shiny Super Heroines brings you sexy Babes in their best costumes showing off their amazing bodies and being tied-up, restrained or otherwise captured by their adversaries. It's a very unique site and from comic-book fans it is sure to get a smile... at the very least! The pictures are 2000x1333 suitable for printing in scrap-book form and the videos are in HD as well in short clips.

### Adult Review

Look, up in the sky, that chick has an amazing tight body and a huge rack... and oh by the way she is flying! With 48 updates total, some as pictures only and others as high-def video clips, Shiny Super Heroines brings a POW, WHAP and BLAM right to your libido with sultry vixens and gorgeous heroines showing off their spandex-clad physiques!

Photos are all available in incredibly clear 2000x1333 image quality perfect for desktop wallpaper, off-line slide-shows or printing in scrapbook format. Aspiring comic book writers will have no problem at all finding plenty of inspiration flipping through the pages of this one of a kind porn site!

Video updates are also available. Each is filmed in 1280x720 Divx format or in smaller resolutions in other formats as well. The clarity is first rate, the only downside is that most clips average only a few minutes in length. However, the ones with a super hot starlet tied up and trying to get loose from the ropes as evil music plays in the background are very erotic to some viewers and stupendously funny to others.

The whole site is softcore, no actual sex scenes are filmed and that makes Shiny Super Heroines one of the few adult sites that you can send to a friend for a shared laugh. It's more than just a gimmick, it's an adventure!

### Porn Summary

Very few adult sites are truly unique and offer something none of the others do. Even fewer are suitable for showing to a friend or emailing to a co-worker as a goof. Shiny Super Heroines is one of those special sites on both levels and that is what makes it well with checking out.
