Introduction

What happens when the camera gets turned off and the pornstars are wandering around backstage? Stop The Camera gives you all the best behind the scenes action and bonus materials from the sets of many feature porn films. See interviews and extra-curricular activities as these sexy ladies let their hair down and show you what they are like in private when the whole world is not watching!

Adult Review

Want to get to know your favorite pornstars more as people? Stop The Camera and take a closer look at all of them backstage on this gonzo website featuring some of the biggest names in porn as they relax, let their hair down... and show you what they are really like when they are hangin' with their friends.

With 300+ exclusive scenes in 720x540 resolution these gorgeous girls get their chance to impress you with their intelligence, amaze you with their sexy stories and romance you with their charming personalities. If you like watching them fuck, you'll love getting to know them when you Stop The Camera.

Bloopers, backstage interviews, off camera sex acts and all the other antics that take place at one of the busiest porn studios. Along with all this great behind the scenes adult content your membership also gives you full access to each of the Included Sites listed on the right side of this review!

The free tour doesn't really give you that great an idea of what's inside... this is one of the few sites where the members area is actually much better than the tour makes it look. However the site does offer a 2 day unlimited trial for just \$4.90 so for under five bucks you can get access to all of it.

Porn Summary

Stop The Camera is not the best sex site on the web, but it's one of the best sites about sex. It gives all your favorite pornstars more depth as they take the time to let you get to know them better than you ever have before!
