Introduction

These sexy whores love to get on all fours and show off their pussies but that's where the fun starts... not where it ends. Watch their Stretching Sessions as they each dig deep and do their best cunt calisthenics in front of the cameras, putting their twats through the wringer and making sure they are maintaining the kind of vaginal flexibility that all professional fuck-targets must have if they hope to get rehired!

Adult Review

Stretching Sessions is a showcase of 46 exclusive episodes that you won't find anywhere else on the Net. Just in case the promiscuity of these whores isn't enough to widen their fuck holes, the stunt cocks have decided to take the bull by the horns and manually stretch these slut's mouths, cunts, and assholes. They may have been tight yesterday, but tomorrow even extra large cocks can fuck them the right way!

It would be nice if the webmasters of Stretching Sessions could stretch the length of the latest videos, because most of the newest updates are less than 10 minutes long (though there are some vids over 20 minutes). Most involve pussy play and fingers shoved in a whore's mouth and ass, though there are some that show hardcore fucking. New scenes are being added about every second week, and the movies that are there are available as both streams and downloads in several resolutions and formats using no DRM.

If the original concept of Stretching Sessions makes you horny, then clearly you have an interest in seeing the warm insides of a wet pussy. The photo galleries make this possible by showcasing high quality pictures in 1024 x 680 resolution. Every scene has a gallery and most have well over 100 individual pictures, in addition to lower resolution vidcaps.

To sweeten the pot even more, monthly membership also gives you the right to access all of the extra XXX porn sites that are right beside this review. These extra sites provide hundreds of additional exclusive pics and videos, and are a great way to stretch your hard earned porn dollar. Now stop wondering what that squishy thing inside a pussy looks like, and find out by joining Stretching Sessions today!

Porn Summary

Stretching Sessions proves that slut's slits look their best when they're contorted and gaped and basically turned inside out. Whether it's her pussy, ass, or mouth, it's just a fuck hole ready to be stuffed -- so you might as well see how much cock you can fit in!
