Introduction

Tiffany Paris may be young and her site may be new but that is no reason to overlook this teen sensation or the whore she is destined to become! Her playful smile and 5'5" 108 pound body are sure to charm even the most jaded pervert. You can practically smell the fresh scent of her shampoo as you watch her videos!

Adult Review

Tiffany Paris started her site recently in May of 2007 and already it has 18 exclusive videos posted on it and 103 high quality picture sets in resolutions as high as 1000x667.

Updating more than once a week, offering an exclusive peek at Tiffany's online diary and launching the site with so many high quality photo sets is all good news for a brand new solo girl website. However, like all new sites, this one is also not flawless.

The 18 videos posted are exclusive so if you don't get them here you won't see them anywhere else but they are offered in a max definition of only 320x240. That's great news for dialup users looking for quick download times, but it also means you have to watch the clips as small images or magnify them and see a lot of blurring and pixelation if you try to view them full-screen. With photo sets at 1000x667 TheTongue expected higher-res videos and hopes to see them added in upcoming updates.

Picture sets can be downloaded as .zip files which is great news for photo fans and they can also be rated online by members which puts the power in your hands and lets you decide which photoshoots are the best of the bunch... which means Tiffany Paris is taking your opinion seriously and will evolve her site to meet your desires.

As part of the Unlimited Access Pass Network, full members of Tiffany Paris also get access to all the Included Sites listed on the right side of this review for the same low price. By itself Tiffany Paris is too new to be worth \$29.73 per month but with 8 other included network sites and plenty of bonus content the site is worth a look. If Tiffany's tour gets you going, sign-up and watch her spread her wings on this new site... hopefully her archives continue to grow at the same pace your dick does.

Porn Summary

Tiffany Paris is a smoking hot, hard-bodied teen and there is no one who doubts that. Her site is new and the videos are not as clear as they could be, but take the tour and see if she is simply irresistible to you. If she is, this is the only place to see her!
