### Introduction

VirtuaGirl is a unique adult entertainment product that allows users to download virtual strippers who get naked and dance all along your computer desktop screen. Using the latest green-screen technology, Virtua Girl allows visitors to experience sensual erotica dance in a whole new way while offering girls on ala carte basis where you can choose just the ones you want, or get free downloadable sneak previews of each girl to decide if she is worthy of being added to your premium collection!

### Review Rating

The Tongue says '*Desktop Dancers Who Do It All For You In HD*'
