Introduction

Let's face it, in this day and age it's virtually impossible to stay faithful to the same partner for the rest of your life. Adult Review

Marriage is like a teenager's cock -- the longer you keep at it, the harder it gets. You'll probably get bored by sticking your dick in the same pussy every night. So if you want to have a chance at fucking fresh pussy outside your own marriage, your best bet is to extend that unfaithful courtesy to your unsatisfied interracial cock loving wife!

You'll find 54 sexy interracial fuck flicks at Wifey Likes Black Cock. New scenes are added once per week, and each video lasts about 20 to 30 minutes long. You'll notice right away that there's a great selection of speeds and formats to choose from, including a portable MP4, an MPG, and several different resolutions of WMV. You can either download or stream all of the scenes, and never have to worry about losing any to DRM. The streams are flash based and run right from your browser.

The latest update on 8/08 features a pre-boob job Brianna Beach slurping on big black dick like an interracial cock loving champion whore! You'll love watching her round bubble butt jiggle as a big black brotha pounds her pussy while she lies completely flat on her belly pressed against the couch.

The videos at Wifey Likes Black Cock are not exclusive, and it's highly likely that you've seen some before since they've all been ripped from some of the hottest interracial porn DVDs that are currently on the market. While non-exclusive updates are not the greatest, these videos are cherry picked and well worth a good hard look.

There are no high res photo galleries, but every Wifey Likes Black Cock episode does come with a few hundred screen caps of the full length videos. They're probably not worth saving on their own, but if you find a black cock loving slut that you think you'll like, check out these captures to see how hard her white pussy gets fucked.

The regular price for a monthly membership to Wifey Likes Black Cock is \$29.97 and not only will you be able to see all these scenes, you'll also automatically be granted access to all 12 exclusive porn sites of the Jerked Network.
