Introduction

3D Fuck Sluts is a different kind of porn site. It features 51 3D picture sets that each show you several 3D renderings of Anime characters in 900x900 resolution. The site also provides 4 animated 3D videos and plenty of bonus feeds. The price is high for the small amount of content offered but given some time to grow it may become a good choice for perverts who enjoy 3D toon excitement.
