# Banzai Sluts

## Introduction

Japanese, Chinese, Filipino, Korean, Indonesian... if you have a thing for the women of the pacific rim this is a site that will hold your attention as one oriental rug after another gets munched, stroked, poked and pounded.

## Adult Review

Meatmembers offers you all of the sites listed on the right side of this review for the price of a single membership. If you join Banzai Sluts you get all these other sites included for free!

If you look over the list you will find some truly excellent sites, some of which have earned TheTongue's highest ratings.

Banzai Sluts is one of the weaker sites offered. It feels as if they guys at Meatmembers wanted to include some whorentials as part of their web package which was a great idea... but the execution is a bit lacking. The site does not have the same kind of intensity that we have come to expect from many of the other sites they offer and as the Asian offering from Meatmembers it had so much potential.

If you look at this as a "bonus site" and join because of the other great feature sites offered it is a welcome addition. The exclusive scene they have with Ava Divine is one you will definitely want to download. However, if you are truly looking for strictly Asian starlets there are better places you can find them.

All scenes are offered in a variety of formats and none of them are DRM encrypted, that means anything you download today will still be on your drives even if the guys at Meatmembers move on to something else. Many of these sites are a collector's dream.

Please be aware that when you signup that on the join page there are 'pre-checked' boxes which add other sites to your order. If you want to include these other sites you may leave them checked, but be aware that they renew automatically and can cost a significant amount of money per month unless you uncheck the boxes when you join.

The one major drawback to the membership is that the guys at Meatmembers decided not to offer any kind of trial period. That means if you want what they have to offer you are going to have to buy a full month of it. The way they figure it, if they are going to go all out balls to the wall in making edge of the envelope smut, their members ought to be willing to go all out and buy a full membership right out of the starting gate.

## Porn Summary

Banzai Sluts could have been an exotic destination for top tier sushi starlets... instead it is more like the delivery stuff the old man hands you as he gets off his bicycle.... fast and cheap but not nearly as tasty.

## Review Rating

The Tongue says *'This is asian bicycle delivery smut, not high priced jacket required stuff'*
