Introduction

Turn her around and lather her thick juicy ass in oil like you were marinating your dinner before tossing it on the grill! Her succulent ass is ready to be served-up with a sticky side-order of your best spunk sauce! Big Wet Butts brings you all the greasy backside action that your cock could ever have asked for!

Adult Review

Big Wet Butts is a site tailor made for ass lovers. They feature starlets with perfect backsides shakin' them like they were in an earthquake and lubing them with so much salad oil that your dick will think it was getting laid in a JiffyLube!

High quality videos professionally filmed by excellent camera crews are important for a site like this one because when the oil starts flowing things can get messy pretty quickly and the key is to keep the slippery goo all over the ladies while giving a perfect view to you. This site manages to do that in more than 130+ scenes filmed in DVD quality 640x480 resolution. Each stars a sexy top name pornstar who gets oiled up and fucked hard for your enjoyment.

Best of all, because they over-lube their assholes, these gals are not afraid to let their man reach the red-line by fucking as hard and fast as he can into their moist wet rectums. The fact is, normally they would have to worry about injury or overheating but with half a bottle of oil poured into their gape - then men can amp up the ass fucking action and still slide through these sphincters with ease!

When you become a member of Big Wet Butts you also get full access to all of the Included Sites listed on the right side of this review! That's hundreds of hours of top quality big tit porn in all kinds of scenarios starring sexy pornstars and brand new fresh faced amateur nude models as well. It really is one of the best deals for your porn dollar anywhere on the web these days.

Porn Summary

These big ass butt babes lube their holes with so much oil that you can shove your dick in them bone dry and still not worry about hearing them cry. Go ahead and saddle up, it's an anal fuck site that is definitely slippery once these big butts get wet!
