Introduction

There are few things in the world that American black men daydream about more than a contract to play basketball for an NBA team. One of those few things is the tight white ass of some little rich bitch shaking it in their face and begging to have it dunked on!

Adult Review

The BigBoobPass network is at it again with the release of Butts And Blacks! This sexy website is an attempt to 'round out' the collection of sites they offer (pun intended) by including some excellent ass materials along with the huge list of breast focused Included Sites listed on the right side of this review.

With 63 exclusive updates already available and more being added every week, Butts And Blacks promises to quickly become one of the best places to find well hung homeboyz banging out the bungholes of beautiful white babes! The videos are available in a variety of formats with maximum definition being 640x480 which looks excellent even when viewed full screen!

Butts And Blacks also has plenty of pictures for you to flip through and allows you to signup with either a limited trial 2 days for \$2.95 pass or the full access network monthly pass for just \$24.95 which is about five bucks a month cheaper than most other competitive sex sites.

The Tongue strongly suggests you go with the full access monthly option because it lets you download from their entire network. While Butts And Blacks has plenty to keep your cock busy all on its own, the total network package means 100s of hours of video featuring all the hottest honeys getting their big tits and beautiful asses boned for your enjoyment!

One of the best parts of the Butts And Blacks membership is the user interface of their websites. Finding other scenes starring the same model, even on other sites in the network, only takes a click or two and finding the exactly smut you want to see is always easy to do.

Best of all, Butts And Blacks has a well designed tour that does a great job of showing you what you can expect if you join as a member. The members area does a good job of living up to what the tour promises. So, take the tour for free and see what they are offering, if you like it... be sure to signup to watch Butts And Blacks!

Porn Summary

The sex on Butts And Blacks is really intense, the network access is excellent and they really do round up some top pornstars to have their asses nailed by big-dick black men. Checkout the tour and see what all the excitement is about on Butts And Blacks
