Introduction

Sure there's no such thing as a bad blowjob, but some are definitely better than others and though a young slut's mom might tell her that a really quick way to win a man's heart is through his stomach, her best friend will always wink and whisper that a deep, sloppy throat-job is even faster! Deep Throat Love offers wannabe whores important life lessons at keeping their horny boyfriends.

Adult Review

Deep Throat Love is the home of 34 porn whores who want to give back to the female non-porn civilian community by teaching any and all amateur cocksuckers how to deep-throat their lovers cock, no matter how big and thick it may be!

Each suckalicious scene starts with a quick lesson using everyday fruits and vegetables that any good slut has lying around the house. These professional pornstars share secrets and tips on how they manage to get so much man meat into their warm wet throats! What quickly follows is a hot one-on-one dick sucking session where you can watch the sexy teacher do what she does best: stifle her gag reflex and cram ten inches of cock all the way down her deep-throat. Every one of these bitches really does go balls-deep!

Most of the videos at Deep Throat Love are about 40 to 50 minutes long. That includes the lesson, the real deep throat exam, and even some hardcore pussy-pounding action. The clips can all be downloaded or streamed, and the lessons are yours to refer to over and over again because they are not protected with DRM. The videos can be watched either as full length scenes, or in smaller chunks. Maximum video resolution is 512 x 288, and a new episode is added every week or two.

Every scene also features high quality photo galleries that include hundreds of individual pictures. The photos are snapped in 850 x 567 resolution so are worth saving. Screen captures are also available if you'd like to preview the action before watching the full-length Deep Throat Love video. The deep throat close-ups are ultra hot, especially when they focus on the whore's wide eyes and drool, so make sure you check out all of the galleries.

Your monthly membership also includes access to a network of exclusive porn sites, which are all listed to the right side of this review. The network access will treat you to hundreds of additional exclusive porn movies and pictures, each focusing on a different popular sexual fetish. Deepthroating fans will love this fucking site, because Deep Throat Love does deliver the goods.

Porn Summary

Even good amateur whores need to suck cock like a pro. And nothing makes them look more like a seasoned dick-sucker than being able to gobble down a nine inch cock straight to the balls. If your own personal slut could use some lessons, Deep Throat Love is the perfect gift for her!
