### Introduction

Most people think that the intellectual rigors of institutes of higher learning help bring out the best in the young minds they seek to teach. But luckily for all of us perverts, college tends to bring out the inner whore of chicks who were sexually repressed in high school. All of the booze makes even homely looking chicks worthy enough to fuck, but the guys who masterminded Exploited College Girls still manage to find only the freshest, hottest pussy on the West Coast!

### Review Rating
