Introduction

These sluts fly all the way out to the studio, choke down some cock for a few hours, get a load dropped in their mouth... and all they get for their efforts is a lousy T-shirt!

Adult Review

How bad do these sluts want a nice new T-Shirt? Join Gag Sluts and find out as each of these amateur models barter a half-hour with their throat in exchange for a size medium white top with the site name on it.

The guys at All Exclusive Pass have done it again, this time adding a site that blends the best of role play, casting content, amateur models and of course more throaty saliva than she can shake a stick at.

Dozens of exclusive scenes captured with high-res pics and excellent quality video in a number of formats are all available for you (and the model) to drool over. Even better, all of the sites listed to the right of this review are included in your membership for free.

When you consider the value being provided by all these great sites in exchange for the cost of just one membership fee, the smut to cents ratio is clearly very much in your favor.

Have a look at the tour and be sure to look over the whole collection of sites. When you total them up you are getting 100s of hours of content from a wide range of niches and every last frame of it is provided by an easy to use interface with top shelf support and service.

Porn Summary

You basically have two choices. Join this site and watch sluts trade their throats for new laundry, or go out and buy a pack of Hanes in the hope you can get them to come to your place instead. I'm guessing yer better off leaving the logistics to the professionals and reaping the rewards for a small monthly fee.
