Introduction

It's not really her first time... everyone knows most girls have had their first anal sex experience early in their sex lives... but Her First Anal Sex does bring you the first time these sluts opened up their puckered assholes on camera and allowed a professional to pound out their dumpers! They whine, they moan, they scream and they giggle... the whole time that oversized cock in their backside is making them wiggle!

Review Rating

The Tongue says *'Tight anal sphincters get stretched as these gals gape for the first time on camera!'*
