Introduction

I Love You Melanie is a 23 year old dance instructor from a small town who hopes one day to make it big in Hollywood. Until she gets "discovered" by a mainstream talent scout she still needs to get her rent paid. That means starring on her own hardcore solo girl site where she shows off her smiling face (braces and all) as she gets banged by men, women and toys ranging from toy dolls to just about anything else you might find in a tool shed!

Adult Review

As with most solo girl sites, if you are really into Melanie then this is a great choice, if tall blondes with braces who like rough anal and big toys aren't what yer looking for then you may want to look elsewhere. What makes I Love You Melanie so fantastic, is that along with all of her own exclusive content... you also get full access to each of the Included Sites listed on the right side of this review!

That means if you want to fuck Melanie at the moment and tomorrow your dick prefers a brunette, you get Mya on the same network. You also get some of the most creative extreme porn content anywhere with true one-of-a-kind sites like Ass Smoothie and Her Last Fuck as well. Sites like those will have you laughing almost as hard I Love You Melanie with have you cumming!

As for Melanie herself, she is the kind of chick who thinks she is too good for porn... right up until the moment when you start face-fucking her and watching her mascara run down her face. It's like in every scene she has to be broken-in all over again!

With so much smut and a 2 day unlimited trial priced at under five bucks you can tell they're confident you'll want to stay for the full month because of all the content they offer. When you total up all the sites its 1000s of scenes in amazing 1920x1080 high def porn videos exclusively shot for this site and the others on the hardcore network of sites.

Porn Summary

In one scene Melanie fucks herself with a nice thick toy until she starts to hit a full wave of orgasmic bliss. Because the scene is available in 1920x1080 you can actually see drips of juice leaving her pussy and rolling down her thigh. If that doesn't make your dick scream I Love You Melanie, then maybe you should take it to a Doctor!
