Introduction

Lexington Steele, the 11 inch black stud who has fucked thousands of women and left them looser than they were when he first met them, now has his own official website! The site name is Lex Steele but the only thing he has shortened is his first name... all 350+ scenes still feature almost an entire foot-long black cock getting stuffed into today's hottest pornstars. He's a legend for a damn good reason.

Review Rating

The Tongue says 'Women confront the challenge of Lex's big black dick!'
