Introduction

Lightspeed University takes you back on campus and gives you the kind of access your student ID just could not provide for you. Every cheerleader, pep-rally, hot chick from the library or darling teen from two floors down in your dorm is now hoping to earn some of your attention and affection. See what it's like to be the big man on campus!

Adult Review

Lightspeed University is a place where every female student is a cheerleader and every male on campus is in for a good time. If you are in the mood for some sexy young sluts who are full of school spirit, take a trip to this site's tour and pick out a brand new whore!

With the sweetest 18ers and nineteen year old students vying for your attention this is one college where the student body is the only thing you'll ever need to study. Fortunately 61 exclusive movies in 480x360 resolution give you all the information you need to make your studying pay off!

This is one of the best sites on the lightspeed network. It features all the girls from the other networked sites in campus situations that show each teen coed in her own natural surroundings. Be the big man on campus and decide which of the Lightspeed University girls make the grade and which deserve to be left back!

Along with the videos come plenty of picture sets and network access to all of the Included Sites listed on the right side of this review. So, while the price may be a little higher than you expected, when you factor in all the sites your pass gets you into and the fact that these are solo girls who can not be seen anywhere else, Lightspeed University tuition is not as expensive as it may have seemed at first blush.

Porn Summary
