### Introduction

Lorena Latin Lover is a solo girl site on the Torbe network. That means as a member you get access to all of the whores on the Included Sites listed to the right side of this review. However, because this is a new site it only has 7 videos on it and they are low-res 320x240 movies so if you sign up its for the network access... not really so much for Lorena.

### Review Rating

The Tongue says 'A sexy latin cockstar named Lorena with a new site all her own'
