Introduction

Every pornstar has a 'first scene' somewhere. Please Be Gentle is a website devoted to finding the earliest performances by top name starlets. To do this they offer a great combination of older movies where current pornstars first went on camera and new movies of brand new amateurs who may one day become pornstars down the road. It's like a huge collection of porn rookie cards waiting for you to pick out your favorites!

Review Rating

The Tongue says '*One rookie pornstar after another is presented for you to enjoy!*'
