Introduction

She isn't a princess, she isn't a beauty queen... she won't ever be an award winning actress and it's unlikely she will manage to get herself a college degree. To most men she will never be much more than a skank with a useful mouth. She's a Slutty Gagger and to your dick... that's all that really matters anyway!

Review Rating

The Tongue says '*Girls with mouths that don't mind working overtime!*'
