Introduction

You know you've been watching a lot of porn when you can't pass a sign for an 'ATM' without snickering. The same goes for your typical glazed donuts shop, since that white sticky mess probably reminds you of something a bit more nasty. One visit to Sperm Glazed, where whores faces are splattered and stained by massive cum loads of gooey splooge and you'll never look at vanilla frosting the same way again!

Adult Review

Hardcore blow bangs are the specialty of Sperm Glazed, a site that's devoted to spunk-covered sluts. You better really love seeing whore's heads drenched and dripping with cum if you decide to pay this porn site a visit. Most of the scenes include at least 5 huge loads being dumped all over pretty their little faces. And not a single one of these sluts is a cum dodger, because by the time these blowjobs finish their eyes are nearly glued shut with splooge!

The videos at Sperm Glazed are not shot exclusively for this site, and in fact a true facial fan will probably recognize some of these scenes from major DVD releases. But having this collection all in one place is a big bonus, and if that weren't enough then full monthly members also gain access to the entire Porn Star Network of like-minded XXX sites. This network has dozens of extra porn websites, many which offer 100% exclusive pictures and videos. But trial members are not allowed to access them, so only stick with a monthly or discounted multi-month membership.

Part of the fun of watching a whore get plastered with cum is seeing the splooge in high definition. Unfortunately there are no high resolution pictures available at Cum Glazed. You'll only be able to see still shots in 720 x 480 resolution, but these are just screen caps of the video clips and are a bit grainy. Nevertheless the site does offer the entire scene's worth of pics in a catch-all zip download that only true blow bang lovers are likely to collect.

A great example of what Sperm Glazed offers can be found in the hardcore scene featuring porn star Courtney James. You can see in her wild eyes that she considers draining every penis in sight as the number one reason she was put on this planet. Her destiny in life is soon fulfilled when she kneels down with her eyes and mouth wide open, ready to accept five mega-loads of cum that are deposited on her face, forehead, mouth, and neck. What a sexy way to earn a paycheck!

Unfortunately Sperm Glazed has stopped updating, and there is no mention of any new content being added any time soon. So you'll have to settle for the 36 videos that are currently online, but at least these clips are offered up in a wide variety of options. The best looking clip is a 720 x 480 resolution WMV file, but you can also check out lower resolution MP4, RM, and MOV clips. None of the content is protected by DRM, and you can download either full length movies or shorter little clips. But again, the true value for this porn site lies in its access to other tremendous sites, some of which are shown right next to this review.

Porn Summary

An awesome site specializing in blow bangs was long overdue. Sperm Glazed offers filthy whores whose faces get absolutely blasted with multiple loads of fresh sticky cock brew!
