Introduction

Swirlie Girls is a site that does an excellent job showing viewers that college football isn't the only place you can find an entertaining 'Bowl Game' these days! Some of the biggest names in porn agree to show the amazing tricks they can do in cramped quarters and every scene features plenty of hardcore sucking and fucking.... with a royal flush finish that washes away any bit of dignity these girls had when the scene started. Is it humiliating? Maybe. Is it fun? Check out the free preview and see for yourself!

Adult Review

Many people think sex is best left to the bedroom. They miss out on all the public sex outdoors and kitchen fucking against cabinets and drawers. Taking sex to new places and making use of cramped spaces is one way to stop your love life from becoming stale... and the Swirlie Girls are here to show you why your bathroom belongs at the top of your list of places to fuck next!

As the newest addition to The Hardcore Network, Swirlie Girls has the huge advantage of being able to offer all of the Included Sites on the list to the right side of this review. That's so many hours of HD porn that you had better get an ice-pack ready for your cock if you plan to watch it all now.

Scenes are filmed in amazing 1920x1080 HD clarity that looks fantastic full-screen on your monitor or high-def television. Each scene also comes with a full picture set in high-res as well, and Swirlie Girls includes access to a members only message board, solo girl journals and one of the best network lineups of any porn multi-pass out there these days.

Toilet games are taboo but on Swirlie Girls the whores have fun too. Each scene features another top name porn star like Kelly Wells or Veronica Jett getting naked in the bathroom and boned so hard their eyes roll back into their heads! That's when the real fun starts as the the aqua-porn stars have their heads flushed in the bowl where they attempt to blow bubbles, breathe through their ears and keep fucking all at the same time!

Fans of softcore porn who like a girl to say 'tee-hee' as she slowly shows you her nipple may find this site nauseating. It's hardcore smut and it's aimed at perverts who are willing to go for something new and different. Will your girl ever let you flush her head in the toilet... you'll never know for sure if you don't ask her!

Porn Summary

On its own Swirlie Girls is still somewhat small because it's a new site. However, when you add in all of the content on the included sites your cock will quickly see it is getting one of the best deals in porn history... and getting to flush a pretty girl's face in the toilet as well!
