Introduction

At the videostore while you were picking out VHS tapes or DVDs to bring home, did you ever walk up to the counter with four or five tapes because you could not decide which one to put back... even though you knew you only had enough time to watch two of them? If you have, then 12xHardcore is for you!

Adult Review

You buy a Big Gulp from 7-11 even though nobody ever needs 64 ounces of soda in one giant cup with a straw. You buy it because you don't want to be thirsty ever again. If you don't ever want to run out of smut and don't want your cock to be frustrated ever again, then you should buy the big gulp of adult entertainment and become a member of 12xHardcore. That way 7-11 won't be the only ones producing 64 ounces of sticky fluids anymore!

This site is 12x the smut your cock could ever ask for. It's all for the guy who downloads fifteen scenes in one night and thinks to himself: *I better get a few more to make sure I don't run out next time.* This site houses so many movies and so many beautiful darlings of the adult industry that your dick will never have to find another source again.

Asian cookies, Ebony princesses, blonde goddesses and every other form that female erotic performers have ever come in are all well represented by this enormous collection. Each and every clip is available in both dialup friendly and larger size broadband formats.

Unlike many other large collection websites, none of the clips at 12x are DRM encoded, so if you really want to go out and buy a few dozen hard-drives you can download every scene and create your own massive collection of pictures and videos.

Some other sites on the net do a better job pin-pointing what you are looking for and giving it to you in a steady constant stream. 12x is more like an all you can eat buffet though it is one well worth the price of admission.

Porn Summary

When the manager of a strip club walks over to you and asks if you would like to be visited by a blonde, a redhead or a brunette...if your answer is "yes, send them all over" then you are a 12x Man!
