Introduction

24 Inches Of Pain brings you some hardcore interracial action starring two well hung homeboyz who assault the holes of white bitches in heat. The site name comes from the fact that the dicks shoved into these chicks are 13 and 11 inches respectively. Combined, that's a full 24 inches of meat for these petites to struggle with as they accept it deep in their dumpers, twats and mouths!

Review Rating

The Tongue says 'The site does not update regularly but does show you 24 inches of DP action'
