### Introduction

Alexis Golden is a do-it-all MILF who specializes in having her asshole fucked deep enough that you may as well put a miner's helmet and search light on the tip of your dick when you line her up rectum. This is her own exclusive website and yes, she really does run the whole by herself top to bottom... but mostly bottom!

### Review Rating

The Tongue says 'A real whore who lets strangers fuck her ass for fun sure is refreshing'
