Introduction

Whores from the Far East are very popular, because from very early ages they're taught how to please and serve their men. And they also happen to look really good too. So if you're in the mood for some nookie that cracks open faster and easier than a fortune cookie, just remember that All Asian Girls love having their tight shanghai slits stuffed with hard thick dicks!

Adult Review

Any guy with a girlfriend who hails from the western parts of this planet are used to getting a lot of lip from them, and I'm not talking about the good kind! White, black, and Latina sluts think they're all God's gift to men, and their "me! me! me!" attitude is living proof. You'll never hear that kind of attitude from All Asian Girls, because they're sexy and sweet and in bed they'll let you treat them like a piece of meat!

Inside the members area of All Asian Girls you'll find 3855 full length Asian-themed DVDs. All of them have been separated into individual scenes that are ready to be either downloaded or streamed. There is a nice selection of video options, including a huge 720 x 480 resolution WMV that has been encoded at 2000 Kbps. All of the selections are WMV, but there are four different choices of resolution making this site compatible with just about everyone.

You can sort through the Asian videos by production studio, title, or name of your favorite little Asian vixen. After a few minutes of surfing through the site, you'll also notice that there are many different DVD categories to choose from like Blowjobs, Threesomes, and Toys, and not all of these titles specifically feature Asian sluts. That's because All Asian Girls is only one part of a huge network of DVD archive porn sites.

You'll be able to gain access to the members for free, since the site offers a free trial membership to all surfers who are interested. Definitely make sure you pay attention to all of the check boxes on the free signup page, because there are offers for a few paid trial memberships to affiliate hardcore sites. Once you're in, you'll soon figure out that there's no way you'll be able to see all this Asian site has to offer in only a few days. So let the trial auto-renew into a paid monthly membership, and you'll have lots more time to find great Asian porn.

Once you're a full member to All Asian Girls, your membership will also include lots of bonus content that trial members don't get to see. You can see live Asian girls on their webcams, get sex advice from local whores in your area, or surf through several more DVD archives that cater to specific porn niches. For a list of the extra DVD archives, look to the right side of this review.

So All Asian Girls has lots more to offer than just Asian chicks sucking dick. It's part of a huge megasite that has so much porn to offer, you won't need to join another for a really long time.
