### Introduction

BBW Zine is pictures only bonus site that is included as part of the BBWPornPass Network. The site features glamorous big girls getting photographed as plus size models to enhance the overall experience of the network itself. By itself this site would not be worth the asking price but as part of the multi-site network it is a welcome free addition included with every member's access.

### Review Rating

The Tongue says 'A large collection of pictures featuring very large women.'
