### Introduction

Ever wonder what it would be like if an entire basketball team decided to have your girlfriend serve as their own little halftime show? More importantly, ever wonder if she has wondered about that same thing?!

### Adult Review

Up and coming director Bobby Manila finally has a chance to produce his own site for the guys at Meatmembers... so he decides to round up sweet young white girls and put them in scenes one at a time with a crew of hard black thugz who know how to attack white ass with a vengeance.

The result is an entire website filled with chicks who could have grown up in the house next door to yours getting pounded out by homeboyz who look like they have spent more time in prison than they have spent in school.

Please be aware that when you signup that on the join page there are 'pre-checked' boxes which add other sites to your order. If you want to include these other sites you may leave them checked, but be aware that they renew automatically and can cost a significant amount of money per month unless you uncheck the boxes when you join.

All scenes are offered in a variety of formats and none of them are DRM encrypted, that means anything you download today will still be on your drives even if the guys at Meatmembers move on to something else. These sites are a collector's dream.

### Porn Summary

What really makes this site payoff is the genuine smile that these chicks display from the start to end of each scene. The more you watch, the more it becomes obvious that somewhere in the darkest recess of their twisted minds are fantasies of them being defiled by the darkest black brothers they can find!
