Introduction

Bukkake Fantasy has a little bit of everything: it has sucking, fucking, deep-throating, gagging, titty fucking, and pearl necklaces. Search hard and you'll even find a link to a tiny Indian midget getting fucked by a gigantic cock and then taking a facial while she uses her tiny dwarf hands on an oversized dick. Unfortunately what this site doesn't have is authentic bukkake videos!

Adult Review

Bukkake Fantasy lures you in with images of gagged sluts covered in cum. The tour promises authentic Japanese sluts, exclusive bukkake, and over 2500 hours of hardcore facials. It's not a case of bait and switch, but the promises certainly don't live up to what's actually delivered.

The main page of Bukkkake Fantasy is headed with "Downloadable Videos" and then three images of sluts taking it in the face. It's a little misleading: the images actually take you to photo sexy galleries of three shoots: one features a gag-fucked white girl, one is solo Asian and the third is two Asian girls together. Each photo shoot goes frame by frame from naked face all the way to splat-fest, but with no dicks in sight and the splooge obviously coming from way above, it should be filed under Not Quite Bukkkake.

Beyond that, there's some great cocksucking content. Be sure to download Aurora Snow in a sexy negligee - she goes after her costar's cock with both hands and her slutty mouth like she just served eighteen years in a maximum security women's prison and is desperate for man meat! She's hot, she gargles with cum and she swallows - but she's Not Quite Bukkkake.

The rest of the downloadable videos are optimized for dialup, so each two minute, action-packed flick is a quick download. And remember - DRM is not used, so when you're done with Aurora's sucking scene, just tuck her away into your private collection & pull her out again later when the mood feels right.

Bukkake Fantasy also offers some quality feeds, mini-sites, and bonus content including some live-action webcams, dating services and games. But file all that under Not Bukkkake At All.

Porn Summary

Bukkake Fantasy is a pretty good porn site: cock sucking, deep throating, spunk facials, with lots of downloadable content & plenty of non-oral bonus material. However, it promises to be the ultimate bukkake site for almost forty bucks a month and with not much true bukake content, this paysite may leave some viewers feeling high and dry because not enough of the content leaves the starlets soaked and sticky.
