Introduction

When ass sex is simply not enough to satisfy your prurient interests, a site like Cum Farters goes over the lines of good taste for many... but fuck'em, it's your fetish and you are the only one that has to enjoy it!

Adult Review

Few websites have done a better job picking a name for themselves that depicts the heart of their content. This offering from the guys at Meatmembers brings anal sex sites to the eventuality that had been bubbling under them for quite some time.

Why ass fuck some hot chick if you don't intend to finish the task? On this site, every thrusting scene concludes with at least one and sometimes many loads of sticky man goo being piston pumped full depth into some whore's ass.

For many ass aficionados when the orgasm ends the fun is about to begin! These sexy starlets squat down and heave with all their might until one jizz splatter after another comes trickling out of their gaped asses like spent cartridges from a machine gun.

Please be aware that when you signup that on the join page there are 'pre-checked' boxes which add other sites to your order. If you want to include these other sites you may leave them checked, but be aware that they renew automatically and can cost a significant amount of money per month unless you uncheck the boxes when you join.

Cum farters is probably not a site for everyone, heck I'd bet your grandma doesn't feel a need to see it... but as someone who has long had this kind of an itch and never been able to find a site suitable to scratch it this is a day of joy and immense celebration for you now isn't it?!

All scenes are offered in a variety of formats and none of them are DRM encrypted, that means anything you download today will still be on your drives even if the guys at Meatmembers move on to something else. These sites are a collector's dream.

Porn Summary

Like a great Hollywood thriller, every time you think one of these videos is about to end the script takes another twist and the scene gets just that much more twisted.
