### Introduction

The Nanny fantasy is one many men have had whether they admit it or not. You come home, your wife is out of town, and the nanny is the one there waiting up for you with innocent eyes and a smile.

### Adult Review

The Naughty America Network continues to cook up brand new smut for its members all the time. Their newest addition is Diary Of A Nanny and it brings you all the teen fuck fantasies that come along with hiring a sweet young nanny to take care of the house while you are at work.

Anyone with a family has had the thought at least once while on the way home from work that their nanny might be dressed in a tight top and a tiny skirt waiting for them to walk in. Diary Of A Nanny makes that a reality for you in every update and gives you many creative ideas on how you might break the ice as you startup a casual conversation that evolves into bone jarring action right on the living room floor!

The videos are DvD quality and feature many fine performances from a good combination of top tier talent and brand new starlets. The sex is all hardcore and will have you wondering why your own Nanny hasn't been treating your cock as well as these girls do!

Along with the video archives of exclusive content and 100s of pictures in .zip downloadable sets, full members also get access to all of the Included Sites listed on the right side of this review. That's a combined total of hundreds of hours of top quality smut for you to watch and it's all fantasy based so it does a great job digging those sexy nuggets out of your spank bank for you and putting them right on the screen in front of you!

Diary Of A Nanny also has a limited trial option but like all trial options it isn't work your time. Limited access sucks and does not include network access either. At \$24.95 a month, the monthly membership of this site is priced lower than the cost of any competent Nanny for a single night.... and these Nannies suck and fuck! If you take the tour you'll get a good idea what your dick is in for and if you like what you see... sign up for the full monthly.

### Porn Summary

They take care of your house when you are out, they take care of your cock when you get back... and you don't even have to offer to give them a ride home! Diary Of A Nanny is a fantasy site that will have you looking in the newspaper wanted section for a real nanny of your own... even if you are living alone!
