**If You Are Willing  
To Eat It, They're  
Willing To Fuck It**

### Introduction

Interested in seeing a sexy woman stuff a handful of spaghetti into her vagina so you can fuck her tomato-sauce infested snatch? Then Food Bangers is the perfect place for you to be to get a nutritious dose of food-centric sex! It's a great site that just need more time to develop and update its archives.

### Adult Review

This is a new site on a very big network that is always continuing to grow. With different sites in so many niches, when you sign-up you get access to all kinds of exclusive porn videos. Food Bangers is a brand new kind of porn that features sexy women and some of your favorite meals being mixed together in the bedroom, the kitchen or anywhere else they happen to take their clothes off.

This site itself has only a dozen movies in its archives so far, but it will grow over time and the total amount of content in the included sites is amazing. 100s of hours of exclusive porn all available in several formats for you to enjoy. The newest Food Banger films are offered in 1280x720, most of the movies are more like 640x480 but all of them are captured with quality camera work and feature top shelf performers.

You don't need a tube of lube to bang a girl if you have a handful of spaghetti handy that you can stuff into her pussy as you pound it deeper with your dick! Of course, when you are done doing her... she'll be more than happy to eat it or to share it with her female fuck friends as well!

The interface of the site does take a little getting used to, there is a lot of bonus content in the members area and the Included Sites are mixed in more than they are with most networks, but once you get the hang of it the interface does work well and allows you find plenty of porn to suit your needs quickly.

Best of all, as a member of The Tongue, you get a discount on membership to the Food Bangers network of sites. Sign-up through the Free Preview button on this website and save more than ten bucks a month as compared to the standard sign-up from the site directly!

### Porn Summary

Pasta, poultry, if it's good enough to eat.... it's good enough to fuck. That's the way they see things over at Food Bangers. It's definitely different and may be a new way to enjoy porn for many jaded veteran porn watchers!
