### Introduction

The porn magazine format is finally going digital. Glossy Angels brings you nude models in amazing 2000x1200 magazine quality pictorials that you can look at online, turn into slideshows or download and print out as part of your own scrapbook collection. The videos are not as good as the pics and the site is only softcore action, but for pictorial loving perverts it's a new way to enjoy their fantasy models.

### Review Rating

The Tongue says '*Softcore picture fans will find this site exciting*'
